## **Re : iPads**

Rotorua Boys' High School is very keen to have all students on devices in 2019. Over the past three years, devices have been introduced and now we largely have Year 10, 11 and 12 using iPads as part of their learning programmes. This being the case, we would strongly urge you to take advantage of the iPad rental scheme, which for \$5 per week over three years will entitle your son to an iPad 24/7 over this three year period. Furthermore, the iPad will be loaded with all the required Apps and MDM which is the key to our security system for school devices. This \$5 per week package also includes full insurance.

We are hopeful that within two weeks of the start of the 2019 school year, all students in Year 9 will be on their iPads so Teachers can plan accordingly.

This \$5 per week arrangement through Ngā Pūmunawa e Waru, Noel Leeming and the DaaS programme is really great value and could not be matched by any private arrangement. Remember also that at the end of the three-year period, your son will be able to purchase that iPad at an end of lease cost or alternatively undertake a new rental programme with a brand new device. Your support of this programme and your son's learning would be most appreciated and I would urge your attention to this matter at your earliest convenience. For further details please contact [ipads@rbhs.school.nz](mailto:ipads@rbhs.school.nz) or alternatively make contact with Mrs Hay, Year 9 Dean or Mrs Law our Shop Manager. The iPads are available through the school shop.

Thank you for your support in this matter.

Yours sincerely
