HOSTEL CREED

As a member of the hostel I will respect the rights of others and act honestly and with integrity.

Each individual has talents which are unique and we must work hard to develop. We will not accept mediocrity and will demand the best of ourselves in whatever activity we undertake whether it be academic, sporting or cultural.

We owe this to ourselves.

We must recognise, it is a privilege to be part of the hostel and we must serve our house, hostel and community.

We must at all times interact with each other in a respectful and dignified manner realising that living in close proximity to others gives us a special challenge.

As a member of the hostel we must relate to adults respectfully and realise we have an individual responsibility and a collective duty.

We must aspire to excellence, to do our best in whatever we are doing.

PREPARATION FOR BOARDING AT TAI MITCHELL HOSTEL

Leaving home for the first time is an exciting time. However, to try and ensure a smooth transition and minimise homesickness, we have set out a few suggestions. Please make sure that your son can undertake simple housekeeping duties like:

- Clear a table
- Keep their room and personal belongings stored away and tidy
- Make a bed properly
- Do laundry
- Sweep and mop the floor
- Fold socks and clothes
- Accept responsibility and learn to work happily in a team situation
- Have a shower once a day, and understand basic hygiene requirements
- Those who need to shave will have to do so regularly

Please take the time to go through each of these with your son.

ORIENTATION PROGRAMME

An Orientation programme commences for all boarders at the beginning of each year. The Orientation Programme continues on the evening when all boarders are in residence at Tai Mitchell Hostel. The programme runs over the course of two weeks and includes hostel rules and routines, establishing the boarding buddy system, explaining the hostel pastoral care plan, environment familiarisation and a number of enjoyable recreational activities.

Any illness or injury should be taken seriously. All sick/injured students who require off-site medical attention must be accompanied by a Hostel staff member who will stay with the student until their treatment is completed. If the student is going to be admitted to hospital the hostel staff member must stay with the student until this occurs. The staff member is required to get full details of the illness/injury from the doctor/nurse treating the student in order to relay these details to the Director of Boarding and parents/guardians of that student at the earliest reasonable opportunity.

During the course of the school day either the Director of Boarding or other designated staff member will liaise with the School Nurse and transport sick/ injured students who require offsite medical attention. The Director of Boarding or other designated staff member will stay with the student until their treatment is completed.

The housemaster and parents/guardians of hostel students must be kept fully informed of the processes their sons are going through with any illness/injury. After hours healthcare can be sought through Lakes Primicare and associated facilities or Rotorua Hospital Accident & Emergency Department.

If a boarder presents as feeling unwell then the following procedure takes place:

Monday to Friday, 8.30am - 4.00pm:

1. The boarder is escorted to the school nurse for treatment
2. The school nurse communicates with home and Director of Boarding as to next step
3. If deemed necessary arrangements are made for the boarder to be picked up by parents/caregivers

Weekend, Mon-Fri outside of school hours:

1. The boarder presents himself to duty staff
2. Duty staff can issue Paracetamol
3. Communication is made with home and Director of Boarding
4. In extreme cases Lakes Primicare and Rotorua Hospital are available

Health

Students requiring specific attention will be referred to the Hostel/School Doctors, Lakes Primicare or Accident and Emergency, Rotorua Hospital if necessary, by Hostel Staff.

Boarders will also be able to access the doctors based at the School's Health and Wellness Centre. Distribution of medication for students with special requirements can be arranged through the School Nurse or Hostel Manager.

Dental

This can be arranged through the school nurse or parents should arrange, via their own dentist. Rotorua Boys' High School works with Absolute Dental for dental work.

Background:

The school health clinic supports the safe administration of all non-prescription medication. All requests to obtain analgesic pain relief will be assessed fully and discussion concerning health condition, fluid intake, harmful effects of medication and previous use will be discussed.

Objective:

1. To ensure that all students presenting with symptoms are assessed fully.
2. To ensure that appropriate management is implemented.
3. To refer students for medical assessment if appropriate.
4. To seek to involve family/caregivers/whānau where appropriate within the confines of ethical and privacy standards.
5. To educate concerning the use of non-prescription medication.
6. To evaluate presenting health condition and assess any underlying cause for symptoms.

Implementation:

1. Paracetamol will not be administered to students under 16 years without the verbal or written consent of family/caregivers/whānau.
2. Students over 16 years of age will be provided with a dose of panadol as recommended on the packaging if this is assessed as appropriate.
3. Fluid intake will be encouraged when students present with headache symptoms. (Fluids will not be given where a possible need for surgical intervention is assessed).
4. Discussion concerning fluid and dietary intake, sleep patterns, and personal stress levels will be implemented.
5. The following will also be discussed; time of last dose, frequency and reason for use, possible effects of over use of non-prescription analgesic medication (e.g. Liver damage).
6. A record will be made in medical notes if Paracetamol is administered at school and details of the health consultation will be recorded.

Don't wait for extraordinary
opportunities. Seize common
occasions and make them great.
Weak men wait for opportunities;
strong men make them.

Bikes

Each student with a bike should have both a D-lock or similar for bike security and an approved helmet, which must be worn whilst riding. Lights are essential for night time riding. Without any of the above three items your bike will be returned home at your expense. Bike serial numbers and descriptions should be recorded and kept at home. Bikes will be locked at the rear of Hahauterangi bike compound at the owner's risk.

Bus Pick Up/Drop Off

The majority of Tai Mitchell Hostel staff are also Rotorua Boys' High School teachers. This is fantastic as it creates such a positive environment for our boarders and confirms the wrap-around support that our boarders need. However, it does mean that during the hours of 8.45am till 3pm Monday to Friday we are in class teaching. As hostel staff we will do our absolute best to provide a safe pick up and drop off service for our boarders. Please think carefully when booking bus times as it may mean that your son is unable to be picked up at the exact time, in some cases not at all if all housemasters are in class teaching. Remember if you sign your son out of the hostel it is your responsibility to return him to the hostel safely. Your consideration when booking bus times would ensure your son returns to the hostel safely.

Motor vehicles

The use of a motor vehicle by a student to transit between the hostel and home is a shared decision with the parents or caregivers of the students concerned and this decision must reflect the law. The use of a motor vehicle while at Tai Mitchell Hostel is permitted where the following procedures are observed:

Procedures:

1. Individual Transport contract completed and returned to Director of Boarding (Below)
2. Students carry a restricted or full driver's licence. This licence must be presented to the Director of Boarding and a copy kept on file.
3. Students on a restricted driver's licence are not permitted to carry any passengers under any circumstances.
4. Use of student vehicles is prohibited during school hours unless a housemaster grants permission.
5. Students who bring vehicles to the hostel must park in the students' car park.

Supervision for each evening is the responsibility of the Duty House Master and Duty Prefects. Students will be required to remain in the Millennium Centre (there will be no exceptions). Duty staff are to be used at any time to assist boarders with any study problems that arise.

Boarders who return to the hostel prior to dinner are to attend the Sunday dinner. Boarders who return are under our supervision and will follow normal hostel meal protocol and house masters expectations.

END OF TERM LEAVING PROCEDURE

The following procedures are to be completed by the boarders prior to their departure from Tai Mitchell Hostel at the end of each term.

Room Inspection

- Rooms to be inspected for tidiness and damage.
- Beds are to be stripped, sheets put out, draws and wardrobe to be checked.
- Light fittings to be checked.
- Any damage recorded and signed for by the student.
- Rooms are to be left in the same state that the boarders found them when they initially moved in.

Keys

At the beginning of each term the boarders are issued with a key to their room. This key is registered with the duty housemaster and then becomes the property of the boarder. It is imperative that the boarders look after this key and use it at all times to lock their doors. This is an important self-management skill that our boarders must learn quickly. If a key is lost then the replacement key will be charged to the boarders account. In the instance that a boarder takes his key home for the holidays then the family/caregivers will be notified and given 3 business days to return the key. If the key is not returned then the key will need to be replaced and charged to the boarder. During the last week of each term the housemasters will register the keys and it is imperative that the boarders listen to, and follow the instructions given.

Return dates

Director of Boarding will notify all whānau of starting date. Boarders may also want to discuss with the housemaster, who they would like to room with. This may assist hostel staff when the rooming lists are being put together at the beginning of each term.

Boarders' personal items

All personal items are to be removed at the end of each term. There is limited storage space and boarders must realise that their rooms could possibly be used during the school holiday breaks.

- Bedwetting, sleeplessness

How do we prevent it?

Although it is very difficult to prevent entirely we have a number of initiatives that we can follow that can minimise and promote a healthy boarding environment.

- Active and passive supervision
- Discourage the creation of small groups
- Model care and values
- Confidential surveys
- Buddy system
- Effective induction policies
- Encourage transparency and openness
- Professional development

Tai Mitchell Hostel Procedure

Bullying, in any form, is not tolerated in Tai Mitchell Hostel. Incidents of bullying will be treated quickly and fairly with the safety of all boarders vital. Learning and applying new skills to deal with, and stop bullying will help our hostel, and the boarders move forward positively. Below is the Tai Mitchell Hostel Anti-Bullying Procedure:

Boarders Responsibility:

Often, the boarders are first to recognise, feel the symptoms of bullying. It is highly important that they have a place to place their concerns where they will feel safe and under no further threat. The boarders must be able to communicate verbally or otherwise that will enable them to bring their concerns forward and for those concerns to be dealt with quickly and positively.

Staff Responsibility:

The staff are to have the safety of the boarders as their utmost concern when dealing with bullying. In certain cases the boarder may need to be moved rooms or blocks, or taken away from a point of contact where they feel safe or are showing symptoms of bullying. The following guidelines will help:

Tai Mitchell Hostel Anti Bullying Procedure:

Boarders may request another staff member or senior boarder to be present. Director of Boarding will pass on the details to Rotorua Boys' High School Senior Management. An outcome that reflects the level and consistency will follow in consultation with Senior Management (e.g gating, grounding, letters of apology).

THE STORY OF TAI MITCHELL HOSTEL

The opening of this wonderful new complex took place on Friday, 19 August 2005. It was an outstanding opening with approximately 250 people present. This school was founded in 1927 and even in that year the Governors of the day planned for a boarding hostel.

In 1928 at the December Prizegiving the then Headmaster, Mr. Ryder, stated "Great progress has been made during the past two years and further rapid development must ensue as soon as provision is made for a school boarding establishment".

In 1930 the school magazine advertised "Westvale" as a hostel for girls attending Rotorua High and Grammar School - £20/term, £3/term dinners for day girls. Westvale, however, did not eventuate for reasons unknown today.

In 1932 the new and second Headmaster, Mr. Harwood, wrote "Remarkable as the development of the school has been up to present, it cannot reach full maturity without the provision of two new adjuncts. The first of these, concerning which I share entirely the views of my predecessor, is a school Hostel to provide accommodation for pupils from the surrounding districts of the Bay of Plenty".

In 1935 the Governors bought 5½ acres on the eastern boundary of the school – the hostel we open today coincidentally is located on that parcel of land. In 1938 a decision to add the second story to A Block took priority over a hostel and the war years of course followed.

On 5 May 1944 Henry Taiporutu Mitchell died aged 67. He died on his birthday and just as Rotorua lost a hugely significant leader, so too the school lost a Governor who from the first years of the school to the day of his death provided wonderful leadership to the school we love today and was driver of plans already for our school to establish a boarding hostel.

On 12 September 1944, a rare weeping totara was planted in the triangle beside our little gymnasium and the main quadrangle by Mrs. Janet Fraser the wife of the then Prime Minister. That tree still flourishes today and nationally it is listed as one of the finest examples of a weeping totara.

Dr Don Stafford the noted local historian and an old boy of our school, wrote the following in his book 'The new century in Rotorua' about Henry Taiporutu Mitchell on his death – One of the most severe losses of the Maori was the death of Henry Taiporutu Mitchell, CMG, JP, on 5 May 1944. Born on the same date in 1877, at Ohinemutu, Tai Mitchell was the son of Henry W. Mitchell, one of Rotorua's earliest surveyors and European settlers.

In 1901 he became a licensed surveyor. Few blocks of land in the Rotorua district were not subjected to his scrutiny, but his major influence was his remarkable ability to engender total trust from the Maori and Pakeha communities.

Little, if anything, involving the Maori people took place in Rotorua without his participation, although this was not always apparent. Few government matters were prosecuted except through him, and of the hundreds of official (and innumerable unofficial) courtesies extended to visitors, it was general Tai Mitchell who arranged things.

His sudden death stunned the community and tributes poured in from every corner of New Zealand as well as from other parts of the world. The traditional tangi brought crowds with a genuine sense of loss. A service for the family members was held in St Faith's Church by the Bishop of Aotearoa, a second on the Papaïouru marae, for the huge crowd waiting there, and at Kauae cemetery, Ngongataha. A man of his stature is not easily forgotten and his name is commemorated in many ways.

A totara tree was planted in his memory in the grounds of Rotorua High School in September 1944. A year later, on 28 October 1945, a memorial bell in a carved shrine was unveiled by the prime minister at Ohinemutu. A large gathering of people from many parts of the country was present, including government representatives and members of parliament. In speaking of the bell shrine, Mr. Fraser said:

"it had been made possible by one who wished to remain anonymous, but who wished with everyone else, that when the sound of its chimes awoke the courtyard it would be symbolical of the voice of Tai Mitchell urging his people to great achievements".

Engraved on the bell are the words *Āhakoā kua mate ia e korero ana ano* (Although dead he still speaks)".

After 10 years growth and development our hostel today honours in name this Rangatira for the service and leadership he provided both this city and his people and our school.

As on the engraved bell – through the young men that will, for an important period of time in their lives, live in this Tai Mitchell Hostel – Henry Taiporutu Mitchell will still speak, he will still be heard, he will still inspire, and his leadership will touch these young men.
