Re : Auckland Border Restrictions this Weekend

I have been contacted by the Ministry of Education who have been contacted by the Ministry of Health to advise that border restrictions around Auckland will remain in place for the duration of this coming weekend.

This means that no staff member or student should attempt to travel to Auckland at any stage over the course of the weekend. The request is designed to keep everyone safe and anyone who does find a way to get through the border and into Auckland this weekend needs to declare this to me.

This message particularly applies to our Boarders and our International Students.

The bottom line is no one from our staff or our students is to go into Auckland over this coming weekend.

Thank you for your support in this matter.

Ngā mihi nui
