

NZ SUPER 8 SCHOOLS' CULTURAL FESTIVAL

HOSTED BY ROTORUA BOYS' HIGH SCHOOL,
MAY 10-11, 2023

PRINCIPAL'S WELCOME

Tēnā koutou katoa.

On behalf of Rotorua Boys' High School I would like to welcome all of the young men taking part in the 2023 New Zealand Super Eight Schools' Cultural Festival, as well as the principals, staff and supporters joining us for this two-day event on May 10 and 11.

We are privileged to be hosting this year's cultural festival, which aims to bring together our special group of schools with similar philosophies and striving for the same ideals. The objective is to both compete in the best tradition of secondary schoolboy performing and visual arts but also to enjoy high standards of performance.

Behind all successful groups are the people who make it all happen. Without the teachers, coaches, directors and mentors, this event could not happen. I realise the sacrifices you all make and I take this opportunity to thank you all for your support of our young men.

I also give thanks to the Sir Howard Morrison Centre for supporting the 2023 New Zealand Super Eight Schools' Cultural Festival this year. We are fortunate to have access to such a high quality performing arts hub to utilise as our venue for this special event. Whakaata Māori (Māori Television) will also be live-streaming the Kapa Haka and prizegiving this year, allowing supporters from all around the country to witness the talent on display.

I extend my best wishes to all young men competing in this year's New Zealand Super Eight Schools' Cultural Festival. May the best group win, but above all else, may all 16 events included be further promoted and enhanced by the performance of all individuals and groups.

Ngā manaakitanga,

Mr A. C Grinter
Principal

Formed in 1997, the NZ Super Eight Schools incorporates the eight boys' high schools from their respective provincial cities of the Central North Island.

- Rotorua Boys' High School
- Gisborne Boys' High School
- Hamilton Boys' High School
- Hastings Boys' High School
- Napier Boys' High School
- New Plymouth Boys' High School
- Palmerston North Boys' High School
- Tauranga Boys' College

The first competitions commenced in 1998 involving rugby and cricket. Since that time the Super Eight concept has grown to include 10 sports competitions, a cultural festival, academic scholar awards and professional development programmes for teachers.

The schools individually and collectively reflect a traditional ethos based on boys' education. Old boys have a prominence across New Zealand's society as University Academics and Educators, Senior Business Managers, Professionals and Entrepreneurs, Civil Leaders and Politicians, as well as Sport and Cultural Icons.

Today, the New Zealand Super Eight Schools are synonymous with excellence in boys' education, innovation in management and outstanding performance on the stage and the sports field. The management of the Super Eight schools' is rotated on an annual basis and school leaders meet to establish priorities, discuss initiatives and set guidelines for the ensuing year.
