

Rotorua Boys' High School

Strategic Plan

2019 – 2021

Students

1. To have a school-wide approach to raising academic achievement for all students. Within this approach there will be:
 - a) A specific focus on the academic achievement of Maori students.
 - b) A specific focus on the academic achievement of Pasifika students
2. To have a school-wide approach to improving attendance.
3. To have a school-wide approach to increasing involvement and performance in co-curricular activities. This includes:
 - a) A specific focus on involvement and performance in sport and cultural activities.
 - b) A specific focus on enhancing opportunities for the development of Leadership and Citizenship.

Teachers/Programmes

1. To have an effective teaching staff that provides high quality education for all learners.
This includes:
 - a) A specific focus on the development of the Effective Teaching Profile.
 - b) A specific focus on the implementation of Learning with Digital Technologies.
 - c) A specific focus on enhancing the teaching of literacy.
 - d) A specific focus on enhancing student engagement.
2. To have a school-wide approach to continuous self-review and the establishment of evidence based decision making.

Systems

1. To have a school-wide understanding and sharing of school vision and values.
2. To have a school-wide approach to ensure the school is the school of choice for boys with the Rotorua City and District.
3. To have a school-wide focus to ensure the Hostel is fully subscribed.
4. To have a school-wide approach to communicating, engaging, and consulting with the community of the school.
5. To continue the modernisation of the physical environment of the school.
6. To maintain a strong financial position for the school.
7. To continue the review of Board Policies and Management Procedures to ensure all operations comply with regulations and are aligned and consistent with the values aims and priorities of the school.

The Strategic Plan 2019 – 2021 has been adopted.
