Ngā mihi nui ki a koutou me te tangi hoki ki a rātou kua riro atu

Please note that the Teacher Only Day for Tuesday 2 June has now been cancelled and this day following Queens Birthday Monday will now be a full and normal school day. This change has been made to maximise teaching time following our lockdown period.

The planned staff Matariki PLD will still take place over the course of next week and the only interruption to the teaching programme will be the early release of students on Friday 5 June at lunchtime at 1.25pm. Supervision of students can be provided however for period 5 as required.

Ngā mihi nui
